

CALL FOR PAPERS

8th International Conference

“Transcending Borders in Tourism through Innovation and Cultural Heritage”

September 1st – 3rd, 2021, Hydra Island, Greece

<http://iacudit.org/Conference2021/>

Building on the success of the previous conferences, it is our great pleasure to inform you that the hybrid 8th International Conference of the International Association of Cultural and Digital Tourism (IACuDiT) is to be held in **Hydra Island, Greece, in September 1st – 3rd, 2021**, with the theme “Transcending Borders in Tourism through Innovation and Cultural Heritage”. The aim of this conference is to promote constructive, critical and interdisciplinary conversations on the challenges emerging in tourism from the digital transformation of the industry by bringing together researchers, communities, industry and government

stakeholders. A dedicated conference track is open to relevant final year doctoral researchers in order to share their research experience, disseminate their findings and present their contribution to theory and practice.

Conference Venue

The entire island of Hydra is a preserved national monument and has retained all its 17th & 18th century charm and quaintness. Hydra town, built in the shape of an amphitheatre on a slope overlooking the Argosaronic gulf, is one of the most romantic destinations in Greece. Traditional stone mansions, narrow cobblestoned streets, secluded squares and above all the banning of cars and the use of around 500 donkeys as means of public transportation, explain the reason why Hydra preserved its distinctive atmosphere through the passage of time. The island experienced exceptional economic growth in the past thanks to its great naval and commercial activity. The island is one of the most serene destinations near Athens, as a ferry from Athens to Hydra, will get you to Hydra in just 2 hours. It's picturesque and very photogenic beauty as well as a range of stunning locations, makes it a thriving venue for conferences. http://www.visitgreece.gr/en/greek_islands/hydra
